HAPPY 2019!

Happy New Year to all of our wonderful Teddy Bear families!

It was a fun holiday season here at the preschool - lots of activities and singing and dancing, culminating with our Christmas Party, which was a rousing good time. We were so proud of our Teddy Bear singers, who were adorable as they sang with gusto and volume! Santa Claus made his entrance, ringing his bells and exclaiming "Ho, ho, ho!" as he made his way across the playground, shaking hands and enjoying many hugs from excited fans. In Santa's Christmas Room, he welcomed each child, listened to their Christmas wish lists, and, with the help of his Elf Assistant, gave them each a small gift and candy cane to tide them over until Christmas morning. The potluck luncheon was delicious and everyone enjoyed this annual get-together very much. Looking forward to next year's party, for sure!

LET'S STAY CONNECTED

You can find us online in the following places. We'd love a follow from you. Comments are appreciated, too! You'll see some really great photos of our Teddy Bear kids and activities!

ART FOLDERS

Just a reminder that the children have a space where all artwork is placed, ready for pickup by parents. The art folders are in bins by the front door, across from the entry counter. Please check it periodically and take home your child's amazing work. They are so proud of their creations!

MARK YOUR CALENDAR

School will be closed on the following days:

Monday, January 1 – New Year's Day

Monday, January 21 – Martin Luther King Jr. Day

Monday, February 18 – Presidents' Day

KIDS' DENTAL HEALTH

Your child's dental health is very important. Here is a link to helpful information about the care of young children's teeth:

<https://kidshealth.org/en/kids/teeth-care.html>

Here's a dental chart which shows when your child's primary teeth should erupt and shed:

<https://www.webmd.com/oral-health/guide/dental-health-your-childs-teeth#1>

We are seeing some loose teeth in our pre-kindergarten group and are cheering the wiggling efforts!

WINTER ACTIVITIES

We will be engaging in lots of activities that help the children learn about the wonders of winter. Here are just a few of our upcoming activities:

Science - how ice forms and melts; all about shadows; measuring cold and hot; how animals adapt to winter; what is rain?

Art - build a snowflake; painting raindrops; mitten collages.

Music - ice skate dancing; singing songs of winter.

Social Play - winter mystery box; mitten matching game; winter clothing game; puzzles, books, flannelboard stories.

Here's to a cozy winter here at Teddy Bear Preschool. We appreciate your faith and trust in us as we continue to do all we can to create a warm and nurturing place for your child's early learning years.
